Let your merciful ears, O Lord,
be open to the prayers of your humble servants;

in the unity of the Holy Spirit,
one God, now and for ever.

Transfiguration

For that one moment, 'in and out of time',
On that one mountain where all moments meet,
The daily veil that covers the sublime
In darkling glass fell dazzled at his feet.
There were no angels full of eyes and wings
Just living glory full of truth and grace.
The Love that dances at the heart of things
Shone out upon us from a human face
And to that light the light in us leaped up,
We felt it quicken somewhere deep within,
A sudden blaze of long-extinguished hope
Trembled and tingled through the tender skin.
Nor can this this blackened sky, this darkened scar
Eclipse that glimpse of how things really are.
