### **St John the Baptist**

Midsummer night, and bonfires on the hill  
Burn for the man who makes way for the Light:  
'He must increase and I diminish still,

Until his sun illuminates my night.'  
So John the Baptist pioneers our path,  
Unfolds the essence of the life of prayer,

Unlatches the last doorway into faith,  
And makes one inner space an everywhere.  
Least of the new and greatest of the old,

Orpheus on the threshold with his lyre,  
He sets himself aside, and cries "Behold  
The One who stands amongst you comes with fire!"

So keep his fires burning through this night,  
Beacons and gateways for the child of light.
